1. Motion by Repchick

Seconded by Furiosi

To adopt Ordinance # 2 of 2011, an ordinance establishing no stopping, standing or parking restriction at the intersection of Simpson and Dunmore Streets in Throop, PA.

On the Question:

Barnick: 25 feet back?

Kalinoski: Towards Dunmore St the left side is 25 feet back and the right side is 90

Barnick: It's real bad there

Repchick: so is the other intersection

Lukasewicz: Can you put a sign that makes the people on the right hand side coming towards Dunmore street that they should stay to the right side of the street more than coming to the middle of the road.

Kalinoski: cars are parked on the right, I can stripe it

Lukasewicz: even if there are no cars there they come up the middle of the road you can't turn in

Kalinoski: It is the angle that it intersects at

Lukasewicz: The warning stop sign ahead sign at the end of Charles street, is that up?

Kalinoski: It is put up.

Lukasewicz: The sign at Tokash's - Is that put up yet? The no parking sign?

Kalinoski: I will check with Chuckie.

4. Motion by Repchick

Seconded by Jarosh

To pay the quarterly allotments to the Emergency Services for the Borough of Throop. \$5000.00 each to all three Throop Hose Companies, #1, #2 and Volunteers (#3) and \$1,250.00 to Dickson City Ambulance Association.

All in favor

Motion carried

Audience Comments:

Repchick: Since Dickson City has been handling our town I have not gotten any complaints. They have also put on their 2 new ambulances also serving Throop Borough. Can we send a letter of appreciation.

Dominick Rocco: Any decision made on St. John's?

Lukasewicz: It doesn't appear that we are interested in it. If we bought it we don't have any need for it. Unless if it came down to where they really wanted to get rid of it. We would consider it.

Dominick Rocco: Did you try to get it down lower? They probably would.

Lukasewicz: They did go lower to \$150,000.00. Even if we did get it at \$150,000.00 we would right off the bat have to spend about \$30,000 or more just to replace the windows, the rectory needs at least a \$15,000.00 new roof because it is leaking, the basement in the rectory there are issues that came from water.

Eric Hartshorn: Ray did you ever go look at Sakulich's where the cars park?

Lukasewicz: That is bad.

Kalinoski: We have a few options.

Motion to adjourn.
