

and address that at that time. (tape inaudible).

Morrell-How do you want that worded?

Barnick-For services.

Lukasewicz-For services for individual residents.

Barnick-At the discretion of the street commissioner. This way you get.....

Motion carried

**4. Motion by Chrzan**

**Seconded by Barnick**

To have specs developed for air conditioning in the Civic Center by an engineer recommended by Fred Spott, Borough Engineer. (Frank S. Westawski, P.E., \$3,500.00 fee.)

Lukasewicz-Specs to be developed by who?

Morrell-It's up to Council. Who do you want to develop the specs?

Barnick-We could start with Jamie to get that architectural engineer that.....Spott.....

Morrell-The engineers recommended by Spott? To have him.....

Barnick-I can't remember his name.

Chrzan-Yeah, what did they want \$10,000.00 or something?

Morrell-\$4,000.00. It was about \$4,000.00

Chrzan-I still say they should have done it when they built the building.

A discussion took place.

Barone-What did we decide on that air conditioning over there? What are we going to do? Who's going to draw up the specs, do you know?

Morrell-An engineer recommended by Fred Spott.
