Audience comments on tonight's agenda:

National Book: Understands that there was a question last week that caused the motion to be tabled so wanted to be here to clarify any further questions.

Gangemi said that he had questioned the waiver of the NPDES.

National Book: The waiver was regarding the bonding of the site. Section 503 of the

Stormwater Management Ordinance.

Cimini added that it wasn't worded properly and had Casey call him from Reilly. He looked at it and he is ok with it. There was an outstanding issue with the placement of a fire hydrant and Andy was there last week and got that resolved so from the Engineer and Andy it is ok.

National Book: I put the wrong Ordinance Section then. My apologies.

Gangemi: Ok so this is straightened out then.

1. Motion by Williams

Seconded by Tomasovitch

As per the Planning Commissions letter dated Oct. 8, 2019, to grant approval to National Book for a waiver request in regard to their proposed building expansion, in conjunction with letter from Borough Engineer dated October 21, 2019.

On the question:

Gangemi questioned if the hydrant issue would require additional wording.

Cimini replied that the original motion included a sign off by the fire chief also and he did.

Gangemi: So the planning commission knows, they'll be corrected? As to what we're waiving.

Cimini: Yes we got the letter from Casey Cawley from Reilly late this afternoon after 4:00 and everything is fine.

Gangemi: So the original notes we had will be destroyed and the new ones will be added?

Cimini: Yes.

All in favor

Motion carried

The meeting was adjourned.
