

BOROUGH of THROOP RESIDENTS
UNITED STATES CENSUS 2020 INFORMATION

March 19, 2020

Although the third line of the address on the census form is Scranton, PA 18512 or Olyphant, PA 18447, according to Mr. Patrick J. Tigue, Partnership Specialist, Philadelphia Regional Census Center, all Throop residents will be counted in Throop.

The US Census uses census tracts within the borders of each municipality as shown on the Response Area Outreach Mapping tool on 2020census.gov.

This application ensures that all Throop borough residents within our boarders will be accurately counted in Throop.

Joseph Tropiak, Mayor
